PROFILE:

Communications and research professional with experience in journalism, humanitarian research and international affairs. Currently pursuing an MSc in Crisis and Security Management at Leiden University, with a focus on War and Peace Studies, building on previous training in Political Science, Conflict Transformation and International Humanitarian Law. Experienced in research, fact-checking, interviews, editorial writing and communicating complex international and humanitarian issues to diverse audiences.

PROFESSIONAL EXPERIENCE

Journalist

Organisation: Atlas Broadcasting

May 2026 - present day

Main Activities:

- Research and write on armed conflict, international relations, global politics, peacebuilding and social dynamics.
- Conduct background research, fact-checking and interviews to support accurate and engaging editorial content.
- Translate complex political and international developments into clear written content for broader audiences.
- Monitor current affairs and conduct source-based research to support editorial production.

Research Assistant

Organization: Elrha - Global Prioritisation Exercise (GPE)

September 2022 - November 2023

Main Activities:

- Supported a global research project on humanitarian action and NGOs as part of the Latin American research team.
- Conducted literature and bibliography reviews to support research activities.
- Assisted with global stakeholder interviews, including preparation, transcription and documentation.
- Translated and reviewed research materials across languages.

Head of Operations and Logistics

Organization: Conférence Pour le Brésil (Paris - France)

October 2021 - December 2022

Main Activities:

- Coordinated logistics and operations for a hybrid international conference on democracy in Brazil and Latin America.
- Coordinated external services, suppliers and technical equipment.
- Supported planning of panel themes and weekly coordination meetings.
- Managed team coordination and budget organisation.

French, English and Portuguese Teacher

Autonomous Work and Multiple Locations

January 2014 - present day

Main Activities:

- Teach English and French from beginner to advanced levels in private and institutional settings.
 - Develop and adapt teaching materials for diverse learners.
 - Extensive experience in written and oral communication, editing and intercultural communication.
-
